LOCAL SCHOOL TEAM PREPARED FOR GAME WITH BARRON AVE. 5

The members of the boys' varsity team of the local high school were put through a practice session on the State street court yesterday afternoon in preparation for the contest with the Woodbridge High School to be played here this afternoon. This is the second game of the annual series between the two schools, and was originally scheduled for last Friday.

Woodbridge scored a decisive victory over the local warriors on court in the initial contest this campaign. The Barron avenue, Woodbridge team, Coach Stauffer, is of the opinion that his passers will even the score in today's game, as the locals defeated South Amboy High School here a week ago yesterday and the John street boys defeated Woodbridge on the South River court in a state semi final championship tilt last Friday night.

There has been a great deal of rivalry between the Woodbridge high school, the State street school, and the State street school.

LITTLE LESSONS IN BIG SPORTS

SELECTION OF CLUBS FOR WOMEN

What difference, if any, should there be in the assortment of clubs carried by a woman golfer, as compared with those carried by a man?

Answered by BOB CRICKSHANK

Runner up in National Open championship, 1923, and the man who, in 1921, defeated Hutchinson, Sarazen and Barnes in an invitation tournament at St. Joseph, Mo., runner up in Pittsburgh tournament for professional golfers, 1922, being defeated only by Sarazen.

If a woman golfer plays a really good game of golf according to their standards I don't see why there should be any difference in the assortment of her clubs. However, there certainly ought to be a difference in the weight of the clubs. A woman's wrists are not as strong as a man's and that is the reason I would recommend lighter clubs. For the average woman player or beginner, I would say six or seven clubs were plenty. Driver, brassie or spoon, midiron, putter, mashie, mashie or niblick and putter. Many good golfers spoil their play by carrying too many clubs, women as well as men. (Copyright, 1924, Associated Editors, Inc.)

Vic Brog, of Pittsburgh, who fought in the city at one of the National Sporting Club's shows some time ago and defeated Lew Selzer of Newark, continued his lengthy winning streak recently by defeating Jack Wilman Gould, of Boston, at the Ridgewood Club in New York.

DIAMOND CALL TO BE ISSUED

Jack Jacobsen, Acting Manager, Preparing Baseball Schedule for High Nine

The first general call for baseball candidates will be issued by Coach R. T. Stauffer at the local high school sometime next week, the boys director at the State street institution made known yesterday afternoon.

Between six and eight veterans of last year's squad reported for several indoor workouts in the school gym last week and these sessions are continued this week. Jack Jacobsen is acting manager of the State street combination for the coming season and Billy Rhodes is captain of the team.

Manager Jacobsen has arranged games with South Amboy high school Bound Brook, South River and Rahway, two each with the first two teams and will start with the last mentioned outfit. Games are also pending with St. Benedict's of Newark, Newark Prep, Dickinson high of Jersey City, Chantel of Long Branch, Passaic, New Brunswick, Lakewood, Newark, Hackensack, Bordentown Military Academy, Asbury Park and Woodbridge. LYCEUM CLUB WANTS LEAGUE

Favors Four, Six or Eight Team Senior League in This City

The Lyceum Athletic Club of North Amboy, has started a campaign for the organization of a senior baseball league in this city. According to Michael Stolz and Thomas Snyder, two members of the committee in charge of the league formation work, this circuit would be formed along the lines of the one or years ago at Amusement Park and only Sunday games would be played.

Present plans are carried out a committee from the Lyceum Club will visit other organizations in the city interested in a senior baseball league, and discuss the movement. A four, six or eight team league is desired.

In former years there have been many senior clubs in this city, including the Maurer, North Amboy, Lyceum, West Amboy, St. Anthony, Pioneer and West Amboy outfits. The local semi-pro club hardly could be interested in such an undertaking as Messrs. Flynn and Sheehan are going to pay an enormous price for their team and also for the use of the Raritan Copper Works field each Sunday.

It is probable, however, that should the league be formed the games on the schedule would be played as a preliminary to the regular semi-pro contest and the winner of the league should be given a series with the Flynn and Sheehan combination at the close of the season. The Lyceums are planning to have a strong diamond team for this summer.

Columbus Cadets Form

The Columbus Cadets of this city have organized a light junior baseball team for the coming diamond season and are desirous of arranging their schedule with teams in this vicinity. George Kopka, 588 Elizabeth street, is manager.

Amboy Juniors to Play

Dan Currie, of 405 Mechanic street, is anxious to hear from junior teams in this vicinity to play his Amboy Junior baseball nine. Communications are to be sent to Manager Currie.

EVERKUSS AND OTHERS DISPUTE EINHORN TITLE

Billy Eyerkuss, "Pony" Soo and other bowling residents of Woodbridge township are desirous of knowing where Charles "Roxey" Einhorn won the individual championship of Woodbridge. They assert that he has yet to see the book when Einhorn rolled better than a 150 average for any number of games.

It is up to Einhorn to come out and show these "ball throwers" plain facts, and when this is done it may be necessary for the champion to engage in some more individual matches. At the present time he is booked to roll Andy Gadek and Howard Richards of this city.

Rallies Booking

The Rallie baseball team of this city has organized for the present season and are anxious to book games with heavy junior teams in this city and vicinity. Young Decker is manager and can be reached by calling 391.

Baseball fans in this section are well satisfied with the infield of the team to cavort on the Raritan Copper Works field on Sunday afternoons during the coming campaign. Smith, Burke, White and Manuel comprise this section of the line-up.

Representatives of the Perth Amboy R.F.C. Club are well satisfied with the national tourney score entered by their team in the event completed on Saturday.

Hope Of New York Giants

LEFT TO RIGHT, UPPER: ERNEST MAUN, HOMER BALDWIN, BRADSHAW, DAVE THOMPSON. LOWER: JOE

By NEA Service

SARASOTA, Fla.—The hope of the New York Giants to win a fourth consecutive pennant in the National League centers around the star pitcher Manager John McGraw has bought from the minors. They are now showing their stuff before the critical eye of the famous manager.

McGraw has started an intensive campaign which he hopes will develop two of his star "bushers" into regulars. Usually a major league manager is content if the crop of rookie pitchers produces one twister capable of holding his own in the

major. McGraw is hoping for two of the recruits to come through.

Much interest at present is being taken in Ernest Maun, a husky right hander who was the sensation of the Western League last year. Pitching for Wichita, Kas., that team finishing third in the race, Maun led the league with twenty-six victories and eleven defeats.

Howard Baldwin, who starred last season with the Newark club of the International League, is another bright prospect.

Working for a near tallender, Newark finishing seventh with an average of .373, only six points out

of last place, Baldwin was one of the most effective pitchers in the league. He won twenty-one and lost fifteen games. Baldwin is a right hander.

Joe Bradshaw, with Toledo, a bad tallender in the American Association, nearly broke even in the matter of victories and defeats. Roger Bresnahan, former owner of the Toledo club, now with the Giants as coach, predicts big things for Bradshaw.

Of the many other recruit pitchers working out Earl Webb and Dave Thompson are well liked by McGraw.

BRIEF BITS OF SPORTS IN ALL FIELDS

The Salem baseball team of West Amboy has organized a light junior baseball team for the coming diamond season, and Nicholas J. Ballo is to serve in the capacity of manager.

Next Saturday night the Class B South Jersey state championship basketball schedule will be completed on the South River High School Court. Games are carded for Friday and Saturday nights.

Paul Berlenbach, New York middleweight or light heavyweight, appears to be the one and only boxing attraction at the present time. The new sensation is receiving offer after offer.

The turnout for the Lincoln-Protection match in the firemen's league last night gave an idea of the interest in the final stages of the bowling race.

All arrangements have been completed for the wrestling show to be staged in Ukrainian hall, on outer State street, tomorrow night. Two great bouts make up the program, a former champion appearing in the principal contest.

Preparations are being made to bring back semi-pro basketball at the New Brunswick avenue Auditorium. There is time for at least six more weekly contests.

The National Sport Club has been reorganized, it is understood, and arrangements are being made for the next boxing show to be put on in this city by this club.

Howard Richards, star local owl, will tune up for the balance of this week in preparation for the start of his twenty game match with Pat Delehanty, of Jersey City, to be rolled on the Harguetown clubhouse alleys, on next Sunday afternoon.

Baseball fans in this section are well satisfied with the infield of the team to cavort on the Raritan Copper Works field on Sunday afternoons during the coming campaign. Smith, Burke, White and Manuel comprise this section of the line-up.

Representatives of the Perth Amboy R.F.C. Club are well satisfied with the national tourney score entered by their team in the event completed on Saturday.

Jackie Clark, of Allentown, Pa. is showing plenty of confidence in preparing for his clash with Paul

Berlenbach, the New York wonder, at the National Sportsmen's Club show in Newark on Monday night of next week.

The second half race of the Industrial bowling league is expected to be even more interesting than was the first half fight. The four strong teams in the first half will have to step to hold their positions.

There is a possibility that a playoff series may be necessary to decide the second half championship of the Metropolitan club league.

Contests between major league baseball teams are carded to start this week. Some idea of the strength of the various clubs for the coming summer will be obtained in these games.

KNOCKOUT KING CARD TO PERFORM IN NEWARK

The attention of fistie fans throughout this state is centered in the match between Jackie Clark, the Allentown middleweight, and "Fop" Jim Pau" Berlenbach, of New York to be fought at the National Sportsmen's Club show in Newark next Monday evening.

Clark has fought such men as Young Stribling, Lou Bogash, Jeff Smith, Mike McGuire, Harry Grab, Pat Reed, Jack Delaney, Augie Ratner and Tommy Loughran, and is confident that he can stand off 150 pounds of professional experience continues to knock 'em off.

AMICITIA SEPARATES IN VICTORY AT PL. PLAINS

The Amicitia Separates, of Pleasant Plains met and defeated the Siasis, of Grant City, S. I., on the former's court on Saturday night by a 21-19 score.

SECOND HALF RACE NEAR END

Brooklyn Dodgers and Paterson Teams Are Having a Merry Battle

The second half race of the Metropolitan League will be completed this week and from present indications the Brooklyn Dodgers will duplicate their feat of the first half.

Dave Banks and his Brooklyn Dodgers managed to retain the lead in the second half fight by taking the measure of the Kingston tribe on the former's court 48-28 on Sunday night. Paterson beat Yonkers by one point on the Silk City court the previous night and a Kingston victory on Sunday would have given the Borgman quintet first place in the present race.

The Greenpoint tribe, better known as the Knights of St. Anthony, of which David "Hank" Thomas of this city is a member, made sure of its fifth place berth by winning a one point game from Yonkers on Sunday night on the Greenpoint floor. Carey and Thomas starred for the Knights in this contest.

Brooklyn will finish the season away from home, having two or two games to play, and Paterson is to complete its schedule on the Silk City court next Saturday night. There is a possibility that a three game playoff series may have to be arranged to decide the second half title.

Last year Elizabeth and Paterson won the Metropolitan League half races, the latter finally winning the pennant.
